How to Order **Optical Fibre Patch Panels**

The steps outlined below will provide us with the minimum required information to build your fibre solutions order. Please note that our patch panels will be constructed with standard options unless specified on your order.

1 Fibre Count

2 / 4 / 8 / 12 / 16 / 24 / 48 / 96

(Certain fibre counts may not be possible, as this depends on adaptor type)

2 Adaptor Type

SIMPLEX (Sx) SC / ST / FC / E2000 / SCA / STA/ FCA / E2A

DUPLEX (Dx) LC / SC / ST / LCA / SCA / STA

QUAD LC / LCA

3 Fibre Type

MULTIMODE (MM) OM1 / OM2 / OM3 / OM4 / OM5

SINGLEMODE (SM) OS2

(OM1 fibre is not held in stock but is available upon request)

Fibre Count
